

# Steel Drag Mats

**Drag Mats** are rugged, 1" square continuous crimp, flexible steel with a rust resistant galvanized finish. They roll up for carrying and storage.

Uses include dragging ball diamonds, breaking up aeration plugs, preparing soil before seeding, etc.

Width is listed first, then length/depth

**Sizes available:** See price sheet for current pricing.

72" wide x 3 ft. deep (34 lbs.)

78" wide x 3 ft. deep (36 lbs.)

48" wide x 6 ft. deep (48 lbs.)

72" wide x 6 ft. deep (60 lbs.)

(Shipping and Tax extra).

Sizes listed above can be shipped via UPS. Sizes larger than 6' x 6' must ship via common carrier truck. Special Order drag mats also available, up 10' x 10'. Please call for pricing.

**Using a Drag Mat behind our PR72 Pro Groomer or AS58 All Star Chisel.** The above pricing reflects the cost of a drag mat only (includes rope, handle and front edge attachment) to be used by itself.

If you wish to add a drag mat behind one of our grooming machines (PR72 or AS58), then additional parts are needed so the drag mat can be carried and pulled by the machine. Please refer to our other product literature for more details.
